Outings

As of yet the snow has not melted enough to gain access. We will be scheduling outings starting mid-April, if mother nature allows. Be sure to check this webpage often along with our Facebook page. Sometimes when we get a warm spell we head out on a trip to find gold. This could be with only one day notice so check our face book page and this website.

**If you are going out post it on our Facebook page and see if others want to go with. Keep it to small groups.**

Note: If you would like to become an officer of the Association or a member of any of our committees, please contact one of the board members. An association is only as good as those who volunteer their talent and time!

Note:

We are always looking for stories to fill our pages. Please take a minute to jot down a story (fact or fiction) and send it into me. Tell us about your experiences, plans or ideas. Letters to the editor, pictures, jokes (clean, of course), car-toons and ads are all welcome. Recipes, web pages of interest, email, magazine and news clippings are also needed. A newsletter is only as good as the article and content submitted. Please give it a try and wake up the writing genius in you.

#### Refreshments:

Refreshments and goodies for the meetings are always a big hit. Please sign up at the next couple of meetings for your turn to volunteer to bring items in. We would like at least two people to commit to some month during the year.

Looking for volunteers who would like to participate in the operation of GPANNR contact one of the current board members. We could sure use some fresh ideas and leadership help. There are couple of us who have been participating since the Club began 13 years ago. Please step up and volunteer! The Club needs you!

If you think you are too small to be effective, you have never been in the dark with a mosquito.

Please cut out the "Events" list just in case I am unable to publish the News Letter in a timely manner. Sometimes, "Life Happens".

Idea: **Swappin' & Peddlin'** Anybody interested in this, if so contact one of the Board members so we can get it up and running.
