

Attention
Fernley Businesses
Call for Exhibitors!
Thursday, 2/26/26
5-8 pm

**PARTICIPATE IN THE STEM FESTIVAL
AND SHOW OFF YOUR AMAZING BUSINESS
TO OUR COMMUNITY!**

Ideas from previous Fernley STEM Festival:

Local engineers explained how they use insulation products in construction.

A Fernley veterinarian displayed the laser technology used in surgery.

Local steel sculpture company displayed their art.

Representatives from Fernley Public Works demonstrated the use of water meters using a display

And much more!

WAYS TO PARTICIPATE:

- Use photos/video to teach about what you do
- Design a hands-on activity for families to try
- Use models to explain the science, technology, engineering, and/or math in your field.

All of the above

**Contact us for ideas!
Register for to Exhibit:
