

Next Meeting Sept 18th 2023

**American Legion Hall
730 4th St.
Sparks Nevada
6pm to 7:30pm**

Claim access pass available at the meetings. \$80.00 for all 8 claims access or \$30.00 for 1.

We have dropped the two claims located in the Forest Hill area, Placer County California, we no longer have access to them.

All of our claims are done for another year. BLM and County Fees paid for each claim we own or adopted. Total fees for this year \$1496 and change.

We are happy to report that all of our bills are paid for the year 2023. Now is the time to save up for 2024 and the bills we will owe. So, if you can purchase some raffle tickets at each meeting or just plain donate to your favorite 501 (c) (3) that would be us of course.

It has been a productive year, we have had two overnight trips and numerous day trips out finding and teaching others how to get the gold in an earth friendly way. The year is not over and we are still going strong with our day trips. To see when they are go to the Events section of this website.

Interested in doing research on areas to look for gold? Report your findings to Larry or Jim, you never know we may plan an exploration trip or join you on yours.

In Oct we will be electing our officers for the corporation. All positions are open. Each current officer has to be reelected to the position they hold and nothing is stopping anyone from throwing their name in the hat for any position even if it is occupied by someone. See our current Sec Marlene to put your name in for any position.
