

Next Meeting DEC. 18th 2023

**American Legion Hall
730 4th St.
Sparks Nevada
6pm to 7:30pm**

We will be holding our pot luck dinner on Dec, 18th 2023.

We will have three raffles, one for a gold in its host rock, it is small but so interesting, the other for some jewelry with gold. We will also be giving away our large raffle item. Got to be at the potluck and have or get a raffle ticket for a chance to get one or more.

We are working on updating our ByLaws, so we do not have repeat of what happened this election.

Our election was held in Oct. all of your current officers were reelected. After that 2 of our officers resigned. One from all offices he held and the Corporation, Mr. Carter has moved on. The other from the Officer position he held but not the Corporation. We thank both of them for the time they helped run this corporation.

All know that we are a volunteer organization and any of us may resign any time for any reason or no reason.

Our Website was attacked with malware and shut down for a time. It is now back but we do not know for how long as it still has problems. We are working on it but we are not computer savvy to say the least.

Onto better news.

We have some new volunteers who were gladly appointed by me to the following positions.

Barbra and Joseph are our new Fundraisers – Thank you

Cliff is our new claims officer for Nevada.

I will be taking over the position of Equipment Manager, weird I appointed myself. If anyone wants to be the equipment manager contact me.

We still have positions open for any and all they are Trips/Outings coordinator and of course equipment manager.

If you would like to help out on managing claims. In Nevada contact Cliff in Calif. contact Mike they would welcome the help. They will then contact me and we will make it happen.

The only rules we have for holding a position; You must be an active voting member of the Corporation.

Our new Fundraising person(s) (Barbra and Joseph) have found us a way to get some donations. This is through See's Candy; go back to the first page of this website and buy some See's Candy through the link you will find there.

Cliff is working on new areas in Nevada for us.

If you would like to use some of our equipment contact me and we can make that happen.

Interested in doing research on areas to look for gold? Report your findings to Larry or Jim, you never know we may plan an exploration trip or join you on yours.
